Re: *United States v. Juxhin Uli*, 17cr00641(KMW)

Dear Judge Wood:

I am writing, respectfully, with the consent of the United States, to request a new date for sentencing in this matter. By order entered earlier today, the Court set October 25, 2018 as the date. With the consent of the United States, I am requesting that the Court set a new date during the week of October 29, or some other date convenient to the Court's calendar.

The October 25 date conflicts with personal plans my wife and I have to be in Los Angeles on that date to celebrate, with our older daughter and spouse, the first birthday of our first grandchild. Our younger daughter will also be in attendance. Coincidentally, she shares a birthday with her young nephew.

The Court's time and attention to this matter are appreciated.

Respectfully yours,
